## GOVERNATORIAL APPOINTMENTS, 1838-2012

*Arrangement:* Alphabetically and thereunder chronologically by date filed

### Scope and Content

This series consists of appointments to state agencies, boards, committees, commissions, and some county positions. These files contain letters from the governor advising the Secretary of State that certain appointments had been made; some also include an oath of office taken by the individual, sample certificates/commissions, bonds, and miscellaneous correspondence from the Commissions Division.

The files are arranged alphabetically by title of the board, committee, commission, or agency. In most cases, the word "Missouri" or "State" has been dropped from the beginning of the name, with alphabetizing beginning with the next word in the title. From 1838 to 1977, there is one alphabetical listing. From 1977 onwards, the span of years roughly corresponds to gubernatorial administrations, although there is some overlap.
